### **On joining of Central Securities Depository JSC to European Central Securities Depositories Association as an associate member**

Central Securities Depository JSC (hereinafter – the Central Securities Depository) has sent a request to European Central Securities Depositories Association (hereinafter – ECSDA) in November 2019 in order to join ECSDA as an associate member. According to the resolution of ECSDA General Meeting dated March 5, 2020 the Central Securities Depository is the associate member of ECSDA.

41 national and international central securities depositories across 36 European countries are the members of ECSDA. ECSDA provides a forum for European central securities depositories to exchange views and take forward projects of mutual interest. It aims to promote a constructive dialogue between the central securities depositories community, European public authorities and other stakeholders aiming at contributing to an efficient infrastructure for European financial markets.

ECSDA's membership will enable to interact directly with European central securities depositories for the purpose of continuous sharing of experience and high technologies in securities market, as well as to promote development of activities of the Central Securities Depository.
